Mr. Gupta,

Thank you for your generous \$316 donation to the FAMILY Fund through the GETDOT Cincy event. Brian told me it was a fun event and explained how you turn networking into fundraising. What a tremendous gift to our community!

I appreciate that you are willing to assist us in our efforts to bring brighter days to the families and children served by Hamilton County Job and Family Services. The FAMILY Fund helps with expenses that go beyond what we are allowed to fund or for which we have very limited funds. We use the money to help foster children afford prom dresses, their graduation caps and gowns or visits to colleges. The FAMILY Fund also supports needy families during the holidays or fathers and mothers who need nice clothes or gas for a job interview.

Our community is amazingly supportive of our agency and our mission of helping abused and neglected children. I appreciate you and your organization. Your support makes our job a bit easier and brightens the lives of those children we serve.

Sincerely,

A handwritten signature in black ink, appearing to read "Moira Weir".
