Dear GETDOT,

On behalf of the women of A Brush of Hope, I want to thank you for designating A Brush of Hope as the recipient of funds raised during your August event. The donation of \$286 we received helps support our organization and provides necessary supplies for our students and staff. We are extremely grateful that you chose to support A Brush of Hope.

Every year A Brush of Hope continues to assist individuals by creating a support system, through the venue of art. Workshops and classes, which are offered at our studio in downtown Lebanon, in area schools and in after-school enrichment programs are designed to provide support, build character, and self esteem.

We are completely funded by generous sponsors and caring people such as yourself dedicated to the belief that through proper resources, positive motivation, and committed support, change is the probable outcome.

With Gratitude,

Aimee Lowrance
Executive Director

A Brush of Hope acknowledges that no goods or services were provided in exchange for this donation. A Brush of Hope is a 501(c)(3) non-profit agency; your donation is tax-deductible to the extent provided by law.
